Basic Features for EON Faculty Users

Faculty users include professors, lecturers, researchers, doctors, and investigators

Opportunity Management:

- Post an opportunity for students to pursue
- Archive opportunities for editing at a later date
- Permanently delete opportunities

Experts Management:

- Edit and maintain an EON profile and a Community of Science (COS) profile viewable by all EON users
- Search for experts at Hopkins by keywords
- Browse for experts at Hopkins by division, department, lab, or center
- Bookmark profiles of EON experts for later viewing

Opportunities Search:

- Search for posted opportunities by keyword
- Browse for opportunities by division, department, lab, or center
- Bookmark opportunities for later viewing

Open Directory:

- Submit website links to the Open Directory
- View the Open Directory
